2. Beginning in Academic Year 2016-2017, academic units will inform bargaining unit members as to whether they will be reappointed no later than May 1st of each year. The parties acknowledge and agree, however, that such communication may be delayed based on various factors and administrative considerations, including but not limited to projected student enrollments, and funding variables. If an academic unit has not been able to finalize its decision regarding reappointment by May 1st, the academic unit will inform the bargaining unit member of that fact and will communicate with the member regarding reappointment on or before July 1st of that year. The parties recognize that this communication is separate from the

formal appointment processes that will be conducted in accordance with the University's standard practices and procedures.

C. Reappointment of Long-Term Bargaining Unit Members

When an appointing unit makes a decision to reappoint a bargaining unit member for a sixth (6th) year and thereafter, the following shall apply:

1. The appointing unit will provide an additional appointment equivalent to the current covered appointment if a decision to not reappoint is subsequently made.
2. The additional appointment will be beyond the bargaining unit member's current appointment period.

To be eligible for this period of continued employment, a bargaining unit member must have five (5) continuous years within the same college of non-visiting, non-funding contingent academic year service in a title covered under this Agreement at 100% time (i.e., 1.0 FTE or cumulative appointments at 1.0 FTE).

2. The parties recognize that promotion represents an acknowledgement of a bargaining unit member's professional growth, merit and expertise in their field. Promotions build on the expectations of excellence, growth and professional development of the bargaining unit member since the time of hire or since the time of previous promotions, whichever is most recent.

Otherwise, as reflected in Provost Communication Nos. 17 and 25, as may be amended from time to time, the University encourages the use of multi-year contracts whenever appropriate. The appointing unit will determine whether to offer a multi-year contract to individual eligible bargaining unit members under other circumstances in a manner consistent with University *Statutes*, campus, college and unit policies. If a bargaining unit member is eligible for a multi-year contract under the University *Statutes*, campus, college, and unit policies, and the member has held a qualifying title for more than five (5) years but has not been offered a multi-year contract, the member may request an evaluation for consideration for a multi-year contract and is entitled to receive that review. If the bargaining unit member is not offered a multi-year contract after this consideration, the bargaining unit member may request an explanation for that decision. Nothing contained herein shall preclude the Employer, at the discretion of the unit and consistent with University *Statutes*, campus, college and unit policies, from offering a bargaining unit member a multi-year appointment at any time. The terms of the multi-year contract supersede the terms set forth in Article IX, Section C, of this Agreement.

F. Disputes

Disputes a bargaining unit member or the Union may have relating to appointment, reappointment, reappointment of long-term bargaining unit members, multi-year contracts and promotion shall be handled under the policies and procedures of the appointing unit, applicable college, and campus, the University of Illinois *Statutes*, and The General Rules Concerning University Organization and shall not be subject to the Grievance and Arbitration Article of this Agreement.

Bargaining unit members are expected to perform the number of work hours needed to fulfill the responsibilities and commitments required of their respective appointments. As professionals, bargaining unit members acknowledge and recognize that, on occasion, they may be required to perform services outside the term of their notifications of appointment.

Bargaining unit members shall follow the dates of their appointment in the notification of appointment. Bargaining unit members shall not be required to perform duties outside their dates of service, with the exception of grade reporting, grade disputes, and unit orientation, training, or meetings. If practicable, such duties outside the dates of appointment may be performed electronically. - D. A bargaining unit member may utilize the Grievance and Arbitration procedure set forth in this Agreement to appeal the disciplinary action, suspension or dismissal. In no instance, however, even if the arbitrator determines that there was a lack of just cause for the discipline or dismissal, shall the arbitrator possess the authority to award a bargaining unit member any remedy (e.g., compensation, re-appointment, etc.) for time beyond the terminal date of the appointment during which he/she was disciplined, suspended, or dismissed.
- E. In the event the Employer dismisses a bargaining unit member prior to the end of his/her appointment term, and the dismissal remains unchallenged or is upheld by an arbitrator, such bargaining unit member shall only be entitled to compensation for services performed prior to the dismissal.
- F. A failure to reappoint an NTT faculty member upon the expiration of the term of his/her appointment is not discipline or a dismissal under this Article.

ARTICLE XIII ACADEMIC FREEDOM

Bargaining unit members shall be entitled to the protection of academic freedom as set forth in the University of Illinois *Statutes*. Bargaining unit members who believe that their academic freedom rights have been violated may submit a request to the campus Senate Committee on Academic Freedom and Tenure (CAFT) to review the matter and make recommendations consistent with CAFT policies and procedures. CAFT is an advisory body to the campus. Neither its recommendations nor the substance of campus decisions on matters related to academic freedom can be grieved pursuant to the Grievance and Arbitration Article of this Agreement. The administration will continue to encourage the faculty Senate to include bargaining unit member representation on the Committee on Academic Freedom and Tenure.

ARTICLE XIV

- D. A bargaining unit member's signature on disciplinary or evaluative material confirms only discussion or receipt of these documents, but indicates neither agreement nor disagreement.
- E. Each bargaining unit member shall be permitted to review the official personnel file as provided in the Personnel Record Review Act. If authorized by a faculty member in writing, a Union representative may also review the file as provided by law.
- F. The Employer shall not gather or keep records of non-academic or non-employment related activities or information, as provided by law
- G. Upon request by a bargaining unit member, the Employer will reproduce materials in the faculty member's personnel file in accordance with the Personnel Record Review Act.
- H. The Employer will comply with the Personnel Records Review Act when releasing information from an NTT faculty member's personnel file to a third party.

ARTICLE XV
LABOR MANAGEMENT MEETINGS

During the term of this Agreement, the Union and the Employer shall meet at least one (1) time per semester at the request of the Union. The Union shall designate two members to meet on its behalf, and the Employer will designate two individuals, one of whom shall be from Academic Human Resources. The parties shall meet at a mutually agreeable time and place. Either side may submit to the other a list of items to be discussed. The purpose of these meetings shall be to discuss anything relevant to the collective bargaining relationship of the two parties, excluding any issue that has been submitted as a grievance.

ARTICLE XVI GRIEVANCE AND ARBITRATION

A. Basic Principles and Definition of Grievance

A grievance is a complaint filed by a bargaining unit member, a group of bargaining unit members, the Union, or the Union on behalf of a member (or members) alleging a violation by the University of a specific provision or provisions of this Agreement. It is understood and agreed that no dispute is subject to the grievance procedure if the matter is not specifically covered by this Agreement. However, any dispute or difference of opinion concerning an employment related decision that falls within the exclusive authority of the University is not grievable under this Article. No grievance shall be considered under this procedure unless it is presented as provided below.

1. Every bargaining unit member covered by this Agreement, with or without Union representation, may pursue a grievance.
2. The parties recognize that day-to-day problems may be discussed between bargaining unit members and supervisors. If possible, the grievance should be solved through informal discussion with the supervisor in the department in which the alleged violation occurred. Such informal discussions are encouraged but optional, but shall have no effect upon the time limits set forth in this Agreement and shall not invalidate the grievance. It is further understood that the various time limits set forth in this Article may be extended only by the mutual written agreement of the University and the Union.
3. A bargaining unit member who participates in the grievance procedure shall not be subject to discipline or reprisal because of such representation.
4. Upon mutual agreement, the parties may agree for grievances to be initiated at advanced steps.
5. Either party may invite a member of the Labor and Employee Relations Section of Academic Human Resources to participate in any discussions and/or meetings held in accordance with this Article and the Union shall advise the Labor and Employee Relations Section of Academic Human Resources prior to any discussions and/or meetings held. In no way shall failure to notify constitute a forfeit of the grievance.
6. Grievance files shall be kept separate from the official personnel file maintained by Academic Human Resources.

B. Time Limits

Failure to file a grievance within twenty (20) business days following the date when the events on which the grievance is based occurred or within twenty (20) business days following the date when the grievant reasonably should have known the events on which the grievance is based occurred shall constitute a waiver of the grievance. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. If the

University fails to respond to a grievance within the applicable time limit, the grievant may appeal the grievance to the next level if such advancement of the grievance is appealed within ten (10) business days following the final date on which the University's response was due. The time limits specified in this procedure may be extended in any specific instance by mutual agreement in writing between the Union and the Labor and Employee Relations Section of Academic Human Resources. Any step of the grievance procedure may be waived by mutual agreement in writing between the Union and the Labor and Employee Relations Section of Academic Human Resources. A request for an extension of time or waiver of a step of the Grievance Procedure shall be addressed to the Labor and Employee Relations Section of Academic Human Resources or to the Grievance Officer of the Union.

C. Adjustment of Grievances

LEVEL 1. If the grievance is not resolved through informal discussion or no informal discussion occurred, the grievant shall have twenty (20) business days from the date of the first events on which the grievance is based to file a written grievance with the bargaining unit member's supervisor, Unit Executive Officer or designee. The written grievance shall contain the following information: a specific description of the dispute, the facts giving rise to the dispute, a listing of the article and section of the Agreement violated, a statement as to how the article and section were violated, the date of the violation, and requested remedy. The supervisor, Unit Executive Officer, or designee, may meet with the grievant (and his/her Union representative, if so desired) and shall issue a written decision on the grievance to the grievant within ten (10) business days after receipt of the written grievance or within ten (10) business days of the meeting if one is held, whichever is later.

LEVEL 2. In the event the grievance is not resolved at Level 1, the decision rendered may be appealed to the Dean of the College or designee in which the bargaining unit member is appointed, provided such appeal is made in writing within ten (10) business days after receipt of the Level 1 decision. If a grievance has been appealed, the Dean or designee may meet to discuss the grievance. Within ten (10) business days after receipt of the appeal or within ten (10) business days after the meeting, whichever is later, the Dean or designee shall issue a decision to the Union and the grievant(s).

LEVEL 3. In the event the grievance is not resolved at Level 2, the decision may be appealed to the Office of the Provost or designee in human resources, provided such appeal is made in writing within ten (10) business days after receipt of the Level 2 decision. If a grievance has been appealed to Level 3, as described above, the Provost or designee may meet to hear the grievance. Within ten (10) business days after receipt of the appeal or within ten (10) business days after the meeting, whichever is later, the Provost or designee shall issue a decision in writing to the parties involved.

D. Arbitration Procedure

1. Request. The Union may submit a grievance to arbitration, provided written notice of the Union's intent to arbitrate is delivered to the Labor and Employee Relations Section of Academic Human Resources within twenty (20) business days following receipt of the Level 3 decision.

2. Selection of Arbitrator. Upon submission of a request for arbitration, the parties may, within ten (10) business days after the request to arbitrate, attempt to agree upon an arbitrator. In the event the parties are unable to agree upon the arbitrator within this ten (10) business day period, the parties shall jointly request the Federal Mediation and Conciliation Services (FMCS) to submit a panel of seven (7) arbitrators, all of whom shall be members of the National Academy of Arbitrators. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. Both the University and the Union shall have the right to strike names from the panel. The party requesting arbitration shall strike first; followed by the other party. Alternate strikes shall continue until only one name is left and this person remaining shall be the arbitrator. The parties shall promptly notify the arbitrator of his/her selection. If this arbitrator is not available or recuses her/himself from the case, a new panel of arbitrators shall be requested from FMCS; the costs of this new panel shall be split between the parties.
3. Hearing. The grievance shall be heard by a single arbitrator and both parties may be represented by such persons as they may designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. If both parties agree, the parties may submit written briefs in lieu of an evidentiary hearing.
4. Decision. The arbitrator so selected shall confer with the University and Union representatives and hold hearings promptly and shall issue her/his decision not later than thirty (30) calendar days from the date of the close of the hearings or, if written briefs have not been waived, then from the date the final statements and proofs on the issues are submitted to her/him. If the arbitrator is unable to issue the complete award within the thirty (30) calendar days, the arbitrator shall issue an interim award stating the outcome of the award pending the final complete decision. Should the arbitrator require more than thirty (30) calendar days to issue a decision, the arbitrator shall notify the parties involved and provide a timeline for issuance. The arbitrator's decision shall be in writing and shall set forth her/his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator's authority shall be limited to determining whether the University has violated arbitrable provisions of this contract. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this contract. To the extent that the University's action is based upon academic judgment, the arbitrator shall have no authority or jurisdiction to substitute his/her judgment for that of the University and its agents. The decision of the arbitrator shall be submitted to the parties and, if it is rendered in accordance with the provisions of this section, shall be final and binding on the parties.
5. Expenses. The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses shall be borne equally by the University and the Union. Any other expenses incurred shall be paid by the party incurring the same.

ARTICLE XVII
UNAUTHORIZED WORK STOPPAGE

The Union agrees not to strike during the term of this Agreement. The Union, through its officers, representatives, members and the NTT faculty covered by this Agreement shall not authorize, institute, participate in or condone any strike, work stoppage, slowdown, or sympathy strike or any concerted interference against the operations of the University during the term of this Agreement. The Union further agrees to take reasonable means which are within its power to induce bargaining unit members engaged in a strike or work stoppage in violation of the terms of this Agreement to return to work; such reasonable means include that the Union, through its officials, disavow in writing the strike or work stoppage and advise in writing that faculty engaged in such activity immediately return to work and cease the violation. Any or all bargaining unit members who violate the provisions of this Article may be subject to disciplinary action, including dismissal under the Discipline and Dismissal Article of this Agreement.

The Employer agrees not to lock out the Union or any NTT faculty member during the term of this Agreement.

ARTICLE XVIII
DUES DEDUCTIONS

A. Dues Deductions

Upon the receipt of a written and signed authorization card of an employee, the Employer shall deduct the amount of Union dues set forth in such card and any authorized increase therein, and shall remit such deductions to the Union at the address designated by the Union in accordance with the laws of the State of Illinois. The Union shall advise the Employer of any dues increase, in writing, at least thirty (30) days prior to its effective date. Nothing contained herein shall require the Employer to take any action to collect any dues from any Employee in any given pay period except to the extent that such Employee earns wages from the Employer in that period. The Employer shall not be responsible for withholding or deducting any amounts from an employee's paycheck (including, without limitation, any one-time fees, such as initiation fees) on behalf of the Union other than regularly occurring union dues.

B. Indemnification

The Union shall indemnify and hold the Employer, and its employees and agents harmless against any claim, demand, suit, cost, expense, or any other form of liability, including attorney's fees and costs arising from or incurred as a result of any act taken or not taken by the Employer, its members, officers, agents, employees or representatives in complying with or carrying out the provisions of this Article. The Employer shall immediately inform the Union of any appeals or legal action regarding this Article.

C. Remittal of Withholdings

The Employer shall take such steps as may be required to accomplish any wage withholdings authorized or required by Section A hereof and shall do such things as are necessary to cause said withholdings to be remitted to the Union within thirty (30) calendar days after the date of withholding, provided that nothing contained in this Article shall require the Employer to make any withholdings unless and until the Union has notified the Employer of the address to which the amount so withheld should be sent and has certified the amount of dues/assessments to be withheld, both within sufficient time to permit the Employer to carry out its obligations to so withhold. The amount withheld shall not change until the Union notifies the Employer that a different dues amount should be collected. The Union shall receive a listing of bargaining unit members and corresponding deductions pursuant to this Article.

ARTICLE XIX ELECTRONIC AVAILABILITY OF AGREEMENT

Within ninety (90) days of ratification, the University shall post this Agreement to its website. The University shall maintain this Agreement on its website for the duration of the Agreement.

ARTICLE XX SAVINGS CLAUSE

Should any part of this Agreement or any provision(s) contained herein be determined to be illegal or invalid by a court or agency of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by a court or agency of competent jurisdiction pending a final determination as to its validity, such part or provision(s) shall not invalidate the remaining portions hereof and they shall remain in full force and effect. The invalidated part(s) or provision(s) may be renegotiated before an appeal is concluded or shall be renegotiated after the conclusion of an appeal, if either party makes a request.

ARTICLE XXI ENTIRE AGREEMENT

This Agreement constitutes the complete and entire Agreement between the parties and concludes collective bargaining. This Agreement supersedes and cancels all previous agreements prior to the date of ratification, oral or written, or based on an alleged past University practice, either established by the University or between the Employer and the Union. Any agreement(s) which supplement this Agreement shall not be binding or effective for any purpose whatsoever unless reduced to writing and signed on behalf of the University and the Union.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and

agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. No further decisional bargaining is required during the term of the Agreement over mandatory or permissive subjects or practices not expressly addressed in this Agreement. However, the parties shall bargain over the impact of any decision that affect the wages, hours, and working conditions of bargaining unit members at the request of either party. Any agreement(s) which supplement this Agreement shall not be binding or effective for any purpose whatsoever unless reduced to writing and signed by the University and the Union.

ARTICLE XXII DURATION

This Agreement shall become effective upon execution by both parties and shall remain in full force and effect through August 15, 2024. This Agreement shall automatically be renewed thereafter from year to year unless either Party notifies the other in writing at least ninety (90) days prior to its expiration date of desire to modify or terminate it.

IN WITNESS WHEREOF, the Parties hereto have hereunto affixed their hands

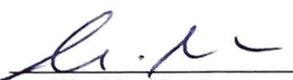

on this the 17th day of July, 2019.
